OUTSOURCE MANUFACTURING, INC. SIGNS LEASE AT CARLSBAD RESEARCH CENTER

CARLSBAD, Calif. – Outsource Manufacturing, Inc., a San Diego-based contract manufacturing company announces that it has signed a lease for 59,860 square feet of industrial space in Carlsbad Research Center at 1600 Faraday Ave., Carlsbad, Calif., 92010.

“We are committed to providing the highest level of service to our customers,” said Antonio Franco, VP of Operations at Outsource Manufacturing, Inc. “Our new facility will give us the ability to expand our business while still maintaining the quality manufacturing and excellent service our customers have come to expect from Outsource.”

Outsource will relocate from its current location in February 2010.

“Our expansion into this new building is another sign of our commitment to the local San Diego market,” said Ted Fogliani, president and CEO of Outsource Manufacturing. “We have proven that we can compete on a global level by manufacturing product right here in San Diego, and now have one of the largest footprints of any contract manufacturing firm in San Diego. Our expanded capabilities and efficiencies will provide added benefits to our clientele.”

Founded in 1997, Outsource Manufacturing, Inc. is a turnkey manufacturer specializing in electronic products for the defense, medical and industrial markets.
